

ADDENDUM #3: ADDITIONAL INFORMATION AND REVISED COST FORMS

As pursuant to AB 1669, the City is extending the proposal submittal deadline to October 15, 2021 at 5:00 pm (PST). This new submittal deadline shall replace the original deadline of September 24, 2021, as indicated on page 4 of the RFP.

Additionally, HF&H has uploaded the following to the Albany RFP website:

1. **Albany Employee Wage and Compensation.** As noted in Addendum 2, the City of Albany (City) has received current employee wages and compensation information and is now providing that information in this Addendum 3.

2. **Revised Base Cost Forms.** It has been noted that some current service levels and rates were not included in the cost forms. Revisions have been made to correct these errors and can be found in the revised cost forms. Please use these revised cost forms in place of the cost forms provided with the initial release of the RFP.
